### **Accepted like a credit card.**

You can use Mastercard Prepaid like a credit card to pay at more than 40 million retail locations in Switzerland and abroad and withdraw cash inexpensively from about 2 million ATMs worldwide. And in many shops you can use your card for convenient and easy contactless payments.

### **Also for mobile payments.**

Now you can also make mobile payments in most shops and all supermarkets in Switzerland and in many countries worldwide, or at a large number of ticket machines. Wherever Mastercard Prepaid is accepted and contactless payments are possible.  To use this service, you need a Mastercard Prepaid from Swiss Bankers and a payment enabled device (mobile phone, smartwatch, etc.). The latest information is available at [swissbankers.ch](https://swissbankers.ch).

### **Ideal for online payments.**

Mastercard Prepaid is accepted by all online shops. It is ideal for people who do not have a credit card or prefer not to use their credit card for online purchases.

### **Available to everyone.**

Mastercard Prepaid is available to everyone in the Swiss Bankers online shop, at more than 150 SBB stations and at various banks. You can reload your card in the «My Card» app or where you obtained it. Choose the desired amount between CHF 100.– and a maximum of CHF 10000.–. The amount is generally credited to your card account within 15 minutes so that you can make secure payments worldwide and online and withdraw cash at once.

### **Full budget control.**

Mastercard Prepaid gives you full control of your spending: You can only spend the amount you have loaded onto your card.

### **Total security.**

Mastercard Prepaid is secure: Your card can only be charged when funds have been loaded. Moreover, Mastercard Prepaid is equipped with the latest chip technology and offers added protection against online card fraud thanks to Mastercard SecureCode/Identity Check. If lost or stolen, your card will immediately be replaced and your credit balance restored.

## **Low charges.**

No fees are charged for loading your Mastercard Prepaid card. Neither are any fees charged by Swiss Bankers for payments in shops or online. Cash withdrawals at ATMs are charged at only CHF 5.– per transaction. For the card service, an annual fee of just CHF 45.– is charged on top of the load amount when the card is loaded for the first time, and deducted from your card balance every subsequent year.

## **Everything under control thanks to the «My Card» app.**

Download the free «My Card» app to your smartphone and view your card reloads, spending, cash withdrawals, and current card credit balance at any time. And receive a notification after each transaction via the app or by SMS.

In addition, the «My Card» app lets you adjust your Mastercard Prepaid card to your needs:

- Completely and immediately block the card in the event of loss
- Block the card for online purchases or contactless payments
- Block countries in which you do not wish to use your card

You can cancel all these settings yourself at any time.

You can also check your card account online at [mastercard-prepaid.ch](http://mastercard-prepaid.ch) or by phone via the Swiss Bankers Customer Service at +41 31 710 12 15.
